

EUROIMPIANTI SRL

Powder coating lines since 1976

www.euroimpianti.com

Euroimpianti's profile

- Solutions for any metal surfaces
- Installations for pieces of any dimensions
- Coating lines for any productivity
- 1500 installations in the world
- International company
- Advanced research and development

The philosophy

Playing with building blocks

Mixing job production with mass production

The philosophy

EUROIMPIANTI
MACCHINE PER VERNICIARE
PAINTING EQUIPMENT

Customized projects.

Different pre-treatment processes

Modular components.

Standard tanks

The philosophy

EUROIMPIANTI
MACCHINE PER VERNICIARE
PAINTING EQUIPMENT

Customized projects.

Different length / shape of the total line

Modular components:

Standard tracks for overhead

The philosophy

EUROIMPIANTI
MACCHINE PER VERNICIARE
PAINTING EQUIPMENT

Customized projects.

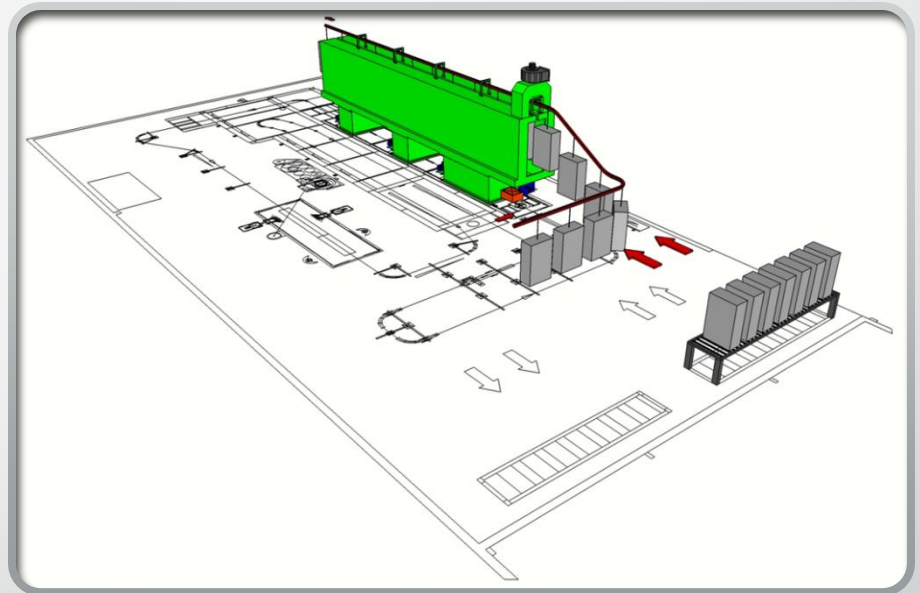

Different dimensions of ovens

Modular components: walls are composed of very same panelings

Benefits of modularity

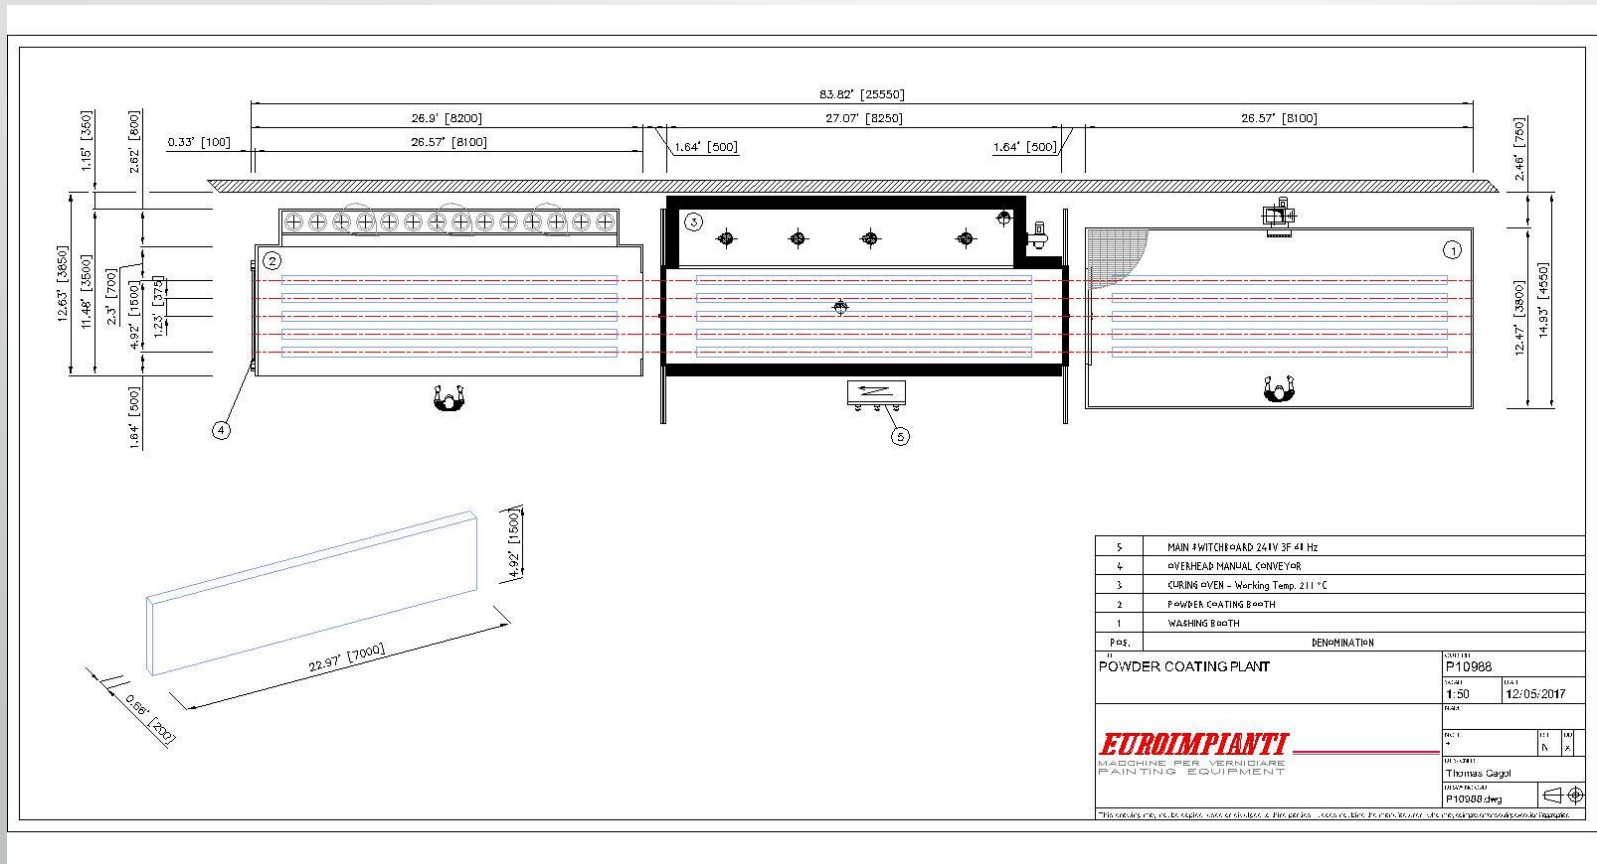

- Fast delivery and assembly
- Minimize errors of design and production
- Spare parts ready in stock
- Optimization of cost

Powder coating lines for aluminium

How the Euroimpianti's modularity works

KOMBY standard

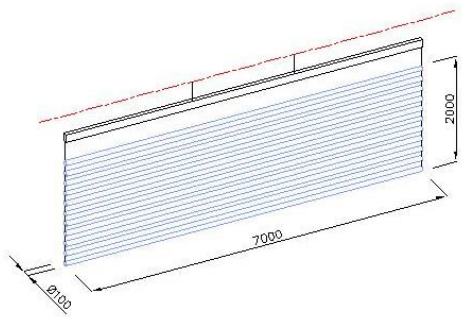

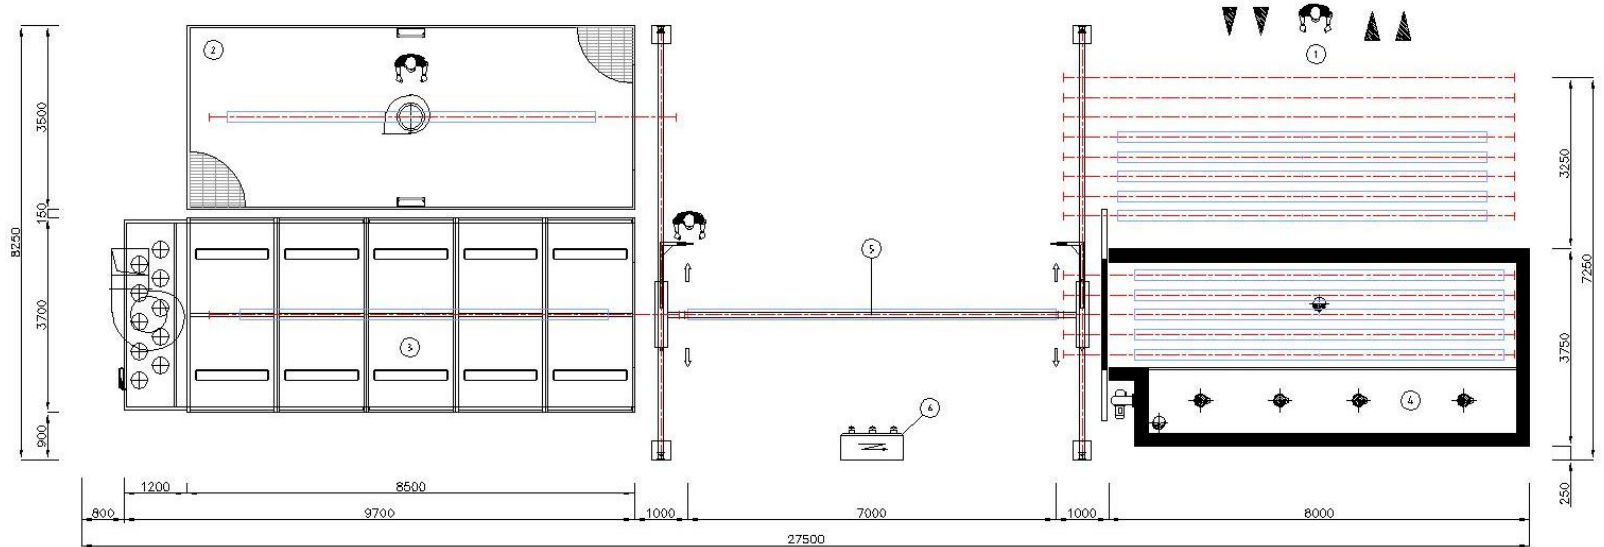

5	MAIN SWITCHBOARD 241V 3F 4L Hz
4	OVERHEAD MANUAL CONVEYOR
3	CURING OVEN - Working Temp. 211 °C
